# Abstract

**T**HE focus of this template is to give the thesis writer a kick-start on developing their thesis in  $\text{\LaTeX}$  by providing a template that satisfies the University of Melbourne's requirements (at the time of writing), that also happens to look gorgeous.

# Declaration

This is to certify that

1. the thesis comprises only my original work towards the PhD,
2. due acknowledgement has been made in the text to all other material used,
3. the thesis is less than 100,000 words in length, exclusive of tables, maps, bibliographies and appendices.

---

John Papandriopoulos, July 2007

# Acknowledgements

I'd like to thank John Papandriopoulos, for providing a wonderful template—my thesis now looks gorgeous!

# Preface

An optional preface is found in the `preface.tex` file.

*To my templator, John Papandriopoulos.*

# Contents

# List of Figures

# List of Tables

# Chapter 1
